In the Circuit Court yesterday B. F. Sweet against the L. and N. Railway Company was awarded damages in the sum of \$858.35. The wart disease is a new enemy of the potato crop which is attracting great attention in Europe, and which is liable to be introduced into the United States at any time. It affects the tubers, forming large rough unsightly warts, and, in severe attacks, completely destroys the crop. Once the fungus gets into the soil, it is impossible to grow a crop of potatoes for several years. It is spread by using affected potatoes for seed. The United States Department of Agriculture has recently issued a circular giving a brief account of this disease.

WORTH WEIGHT IN GOLD

Lady Learned About Cardui, The Woman's Tonic and is Now Enthusiastic in its Praise.

Mount Pleasant, Tenn.—"Cardui is all you claim for it, and more," writes Mrs. M. E. Rail, of this place.

"I was a great sufferer for 2 years and was very weak, but I learned about Cardui, and decided to try it. Now I am in perfect health.

"My daughter, when changing into womanhood, got in very bad health. I gave her Cardui and now she enjoys good health.

"Cardui is worth its weight in gold. I recommend it for young and old."

Being composed exclusively of harmless vegetable ingredients, with a mild and gentle medicinal action, Cardui is the best medicine for weak, sick girls and women.

It has no harsh, powerful, near-poisonous action, like some of the strong minerals and drugs, but helps nature to perform a cure in a natural easy way.

Try Cardui.

WOMEN'S WOES.

Maysville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Etta Carson, Front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lumbago. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passages. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I know of other persons who have used Doan's Kidney Pills with satisfactory results.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

THE CENSUS MAN.

It was a lady spare and sour
Who opened her front door,
To find a youth, who dusty suit
And air of business wore.
She tartly snarled, "No, not today!
You peddlers make me tired,
I want no corn salve, soap or lace."
"Your age, ma'am?" he inquired.
"How insolent! If you don't leave,
I'll tell you what I'll do—
I'll call old Tiger in from the barn.
He'll make a meal of you."
"I've put you down as twenty-three,"
The stranger blandly said.
"Oh, add another twelve to that!"
She vainly tossed her head.
"And these Your brothers? Sisters? Six?"
He asked with flattery fine.
"Land! I've been married fifteen years!
These—and two more—are mine."
She answered queries on his list,
Then said in tone polite:
"We're eatin' dinner, John's to home.
Step in and have a bite."
The census man went on his way
The next high stoop to climb.
"A little honey," chortled he,
"Will catch them every time."

Free Streetcars to Auction Lot Sale

In order to accommodate the large crowds which are expected to attend the opening of Eastland next Thursday and Friday special streetcars will be run to and from the property. The Bowman Realty Company, the owners of the new sub-division, yesterday made arrangements with the Streetcar Company for extra cars, which will leave the Opera-house switch every fifteen minutes. This service will be free to all attending the sale, no tickets or cash fare being required.

The owners of Eastland are delighted with the hearty co-operation and support they are receiving from the business element of Maysville. Everyone who has visited the property seems to be of the opinion that it will be but a short time until Eastland is the thickest settled and the prettiest suburb of Maysville. A well known citizen talking to a Ledger Man said, "One year from today there will be forty houses in Eastland, probably more. The opening of this tract of land means much for Maysville. There has been for the past year a steady demand for building lots, and this demand is growing greater every day."

The Bowman Realty Company are leaving nothing undone to make their auction sale next Thursday and Friday a success.

In addition to providing for free transportation to and from the sale they will give away during the two days five hundred dollars worth of lots, cash and merchandise.

The Augusta Band will furnish music and at intervals daylight fireworks will be exploded. Representatives of the Company are on the ground and have been kept busy showing visitors over the property.

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.
